December 2009

Dear Friends,

Each year I seek the Lord for a prophetic proclamation. Holy Spirit has spoken to my heart and said 2010 is the year of **open door of opportunity**. I believe the Lord is going to be opening many **doors of opportunity** for the political realm, personal, financial, business (*marketplace*), ministerial and in some cases windows of escape. As we get the mind of the Lord for these **open doors of opportunity**, it will be up to us to trust and obey & go through those doors in faith & expectation (*Jeremiah 29:11*). I will be sharing more about this at our January 2nd ministry buffet and a message the Lord gave me in titled "*Windows of escape & doors of opportunity*". Please RSVP by calling today (352) 461-9351 so we can be prepared to serve & bless you. Food will be served at 3:30pm, it will be at our Umatilla FL location (751 S Central Ave). WOW get excited about this word!! **I am and I am running with it!** Saturday nights we have different anointed men & women of God ministering, and a 2pm Sunday afternoon service also at the Umatilla Revival center. Thank you for all who have been donating items for our thrift stores, they are needed, appreciated, you are helping us help many needy people.

This past year we launched further by viewing programs on the *heartland broadcasting network via internet*. We are receiving favorable response from around the world, fulfilling the great commission "go into all the world". Over the years we have received thousands of *praise reports & testimonies* from people being blessed by this ministry from 203 different countries, continent, & territories. All who have been supporting this ministry have much fruit abound to your account. MY GOD shall supply all your need according to His riches and glory by Christ Jesus. Some years ago Holy Spirit spoke to my heart to encourage people to send in Photographs of persons, places or things that they wanted me to pray for and over. Thousands of photographs have come in, I personally anoint the head & heart of every person in the photographs and anoint each photo with oil in Jesus name. We have seen properties sold, purchased, pets blessed, healings, deliverances, restorations, and most of all **salvations**, as far as Romania. I want to encourage you to keep those photographs coming, but please do not send us one you cannot live without because we cannot send them back. In fact you do not want us to because from time to time we continue to pray over them.

In closing, keep logging onto our website *pastorjohndalesio.org* or *heartlandglobal.org* and click **livestream** or other avenues of our broadcast and be blessed by the anointed messages from the many anointed ministers. Please prayerfully consider sending a special Christmas & year-end offering to the Lord through this ministry and let's continue to co labor together in Christ.

Have a Merry Christmas and Blessed New Year,

Pastor John
